FLEXIBLE HINGES

---

POLARISED UV400  
SHATTERPROOF LENSES

## Made Well

Max UV protection.  
Shatterproof, scratch resistant lenses. Constructed from the innovative eco-friendly G850 renew which is made from 45% castor seeds. Polarized UV400 lenses. Lightweight with a soft touch finish.

## Flexible Hinges

Hinges that bend beyond 90 degrees. Resulting in longer wear and less breakages.

# Jamie

Our best selling glasses, available in a wide range of colours. Featuring our signature pop of colour highlighting our logo on the arms.
