Autumn Winter 2024

# Our Story

Founded in 2011 by brother and sister duo Nick and Louise, the Estella Bartlett family has grown over the years to become the well-loved jewellery and accessories brand that it is known as today.

Broadening our collections in 2023 with the launch of Bartlett, our Men's jewellery range, our aim was to offer something special for everyone.

Now based in the heart of London's Bermondsey Street, just a stone's throw away from the creative beacon that is The Fashion and Textile Museum, our in-house design studio is home to a close knit and passionate group of creatives, pouring their hearts into every design.

# Autumn Winter 24

For AW24, Our Bartlett London collection features a selection of styles finished with highly durable waterproof plating. It includes semi-precious gemstones, ranging from the rich color of Lapis Lazuli to the golden tones of Tiger's Eye.

The jewellery comes in premium packaging, making it perfect for gifting. The diverse range is designed to cater to various styles and tastes, featuring contemporary chain profiles paired with classic woven leather bracelets.
